The image shows a hand holding a large green sticky note in front of a website. The website is 'Change by Us Philadelphia' and features a public idea submission interface. The main heading asks 'How can we make smarter, safer & greener neighborhoods?'. Below this, there is a section titled 'NEW IDEAS' displaying a grid of many small, colorful sticky notes (orange, yellow, green, blue, pink) with text on them. A button labeled 'SEE MORE IDEAS' is next to the grid. At the bottom, there is a Facebook 'Like' button and text indicating that 383 people have liked the page. The background of the website is a blurred image of a city street with a blue sky and clouds.
